

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

John J. Sweeney, Jr.

v.

Case No. 12-cv-276-SM

N.H. State Prison, et al.

ORDER

Re: Document No. 30, Plaintiff's Proposed Discovery Plan and
Document No. 31, Defendants' Proposed Discovery Plan

Ruling: Plaintiff's proposed discovery plan (doc. no 30) contains allegations about defendants' mistreating him, but includes no proposed discovery deadlines and no specific objections to defendants' proposed scheduling order and discovery deadlines (doc. no. 31). As I find defendants' proposed deadlines and scheduling order reasonable, document no. 31 is approved and adopted as a pretrial scheduling order. The pretrial conference currently scheduled for March 20, 2013, is no longer necessary and is cancelled. Trial: Two-week trial period beginning March 18, 2014.

Date: March 5, 2013
